

RATE/RULE MANUAL PAGE RR-08 (SPECIMEN)

Motorcycle Endorsement Rating Rule

Personal Auto Program, Edition 2026 — California — Company Tracking # PMMU-2026-CA-PAP-001 (specimen)

This rule establishes rating for the new optional Motorcycle Safety Apparel & Helmet Endorsement (Form CA-60), and confirms the motorcycle-specific base rate and classification factors used elsewhere in this rate manual (RR-01, RR-02, RR-06).

SAFETY APPAREL ENDORSEMENT PREMIUM

Rating Element	Factor / Amount
Base Endorsement Premium (per 6-mo. term)	\$9.75
MSF Safety Course Completion Discount	0.90 (10% discount)

MOTORCYCLE CLASSIFICATION FACTORS

Classification	Factor
Engine displacement $\leq$ 300cc	0.78
Engine displacement 301–600cc	0.94
Engine displacement 601–900cc (e.g., Ninja 650)	1.00
Engine displacement 901–1,300cc	1.22
Engine displacement $>$ 1,300cc / high-performance sport	1.51

ELIGIBILITY AND LICENSE REQUIREMENT

Both the base motorcycle physical damage rate (RR-02) and this endorsement require the rated operator to hold a valid California M1 or M2 motorcycle license endorsement on file at the time of rating; an unverified license results in referral to underwriting prior to binding.

This is a fictional specimen rate manual page created for illustrative and training purposes only. It does not represent actual filed rates, rating factors, or an actual CDI-approved rate manual. "Pacific Meridian Mutual Insurance Company" is not a real insurer, and all factors and figures are invented. Real, publicly filed rate and form filings for any licensed California insurer can be searched at filingaccess.serff.com/sfa/home/CA.
