Good Driver Discount Notice

If you have been a licensed driver for at least three years and have no more than one point on your driving record, and have not been at fault in an accident causing bodily injury or death, you may qualify for a Good Driver Discount of at least 20% off the liability, medical payments, and collision premium, as required by California Insurance Code § 1861.02.

Notice Regarding California Low Cost Automobile Insurance Program

Ridesharing / Transportation Network Company (TNC) Use

This policy excludes coverage while the covered vehicle is being used to transport passengers for compensation through a transportation network company (e.g., app-based rideshare or delivery platforms), except as provided by a TNC endorsement purchased separately, consistent with California Insurance Code § 11580.24 and § 11580.25.

Proof of Financial Responsibility

California Vehicle Code § 16020 requires all drivers to maintain financial responsibility. Your California Insurance Identification Card, issued separately, must be carried in the covered vehicle at all times and presented upon request of law enforcement or the DMV. This specimen document is not an insurance identification card and may not be used for that purpose.

Prior Notice of Cancellation / Nonrenewal

After this policy has been in effect for 60 days, or if this is a renewal or continuation policy, we may cancel only for the reasons permitted under California Insurance Code § 663 and § 1861.03, including nonpayment of premium, fraud, or a substantial increase in risk. We will mail or deliver written notice to the Named Insured at least 20 days before the effective date of cancellation (10 days for nonpayment of premium), except that no prior notice is required if the policy is cancelled at your request.

Wildfire / Brush Area Notice

If the garaging address of a covered vehicle is located in or near a high-wildfire-risk area, additional underwriting requirements may apply. This does not affect auto physical damage coverage limits described in Part D of this policy.

This insurer provides free language assistance services. To request an interpreter, or to receive key policy documents translated into Spanish, Chinese, Tagalog, Vietnamese, or Korean, call the number on your Declarations Page.

We will pay damages for bodily injury or property damage for which a covered person becomes legally responsible because of an auto accident. PART B — MEDICAL PAYMENTS COVERAGE

We will pay reasonable and necessary medical and funeral expenses incurred within three years of an accident for bodily injury sustained by a covered person, caused by an accident and arising out of the ownership, maintenance, or use of a motor vehicle. This coverage applies without regard to fault.

PART C — UNINSURED / UNDERINSURED MOTORIST COVERAGE

We will pay compensatory damages that a covered person is legally entitled to recover from the owner or operator of an uninsured or underinsured motor vehicle because of bodily injury sustained by a covered person, and property damage, caused by an accident. Any judgment for damages arising out of a lawsuit brought without our written consent is not binding on us.

GENERAL PROVISIONS AND CONDITIONS

Policy Period and Territory

This policy applies only to accidents and losses occurring during the policy period shown on the Declarations Page and within the United States, its territories or possessions, or Canada, or while a covered auto is being transported between their ports.

Duties After an Accident or Loss

A covered person must cooperate with us in the investigation, settlement, or defense of any claim; promptly notify us or our agent of how, when, and where an accident or loss happened; notify the police within 24 hours if a hit-and-run driver or theft is involved; and submit, as often as we reasonably require, to examination under oath.

Payment of Premium; Grace Period

Premium is due on the dates shown on your billing statement. This policy provides no grace period beyond that stated in your billing notice; coverage terminates automatically at the end of the period for which premium has been paid unless renewed.

Two or More Auto Policies

If this policy and any other auto policy we issue to you apply to the same accident, the maximum limit of our liability under all policies will not exceed the highest applicable limit of liability under any one policy.

Other Insurance

If there is other applicable liability insurance, we will pay only our share of the loss. Our share is the proportion that our limit of liability bears to the total of all applicable limits.

Subrogation

If we make a payment under this policy and the covered person to whom payment was made has a right to recover damages from another, that person must transfer that right to us. A covered person must do nothing to impair this right.

Fraud and Misrepresentation

We do not provide coverage for any covered person who has made fraudulent statements or engaged in fraudulent conduct in connection with any accident or loss for which coverage is sought under this policy.

Assignment

Your rights and duties under this policy may not be assigned without our written consent.

Termination – Cancellation

You may cancel this policy at any time by notifying us of the date cancellation is to take effect and returning the policy, if issued. We may cancel this policy as permitted by California Insurance Code § 663, 664, and 1861.03, by mailing notice to you at the address shown on the Declarations Page.

Termination – Nonrenewal

If we decide not to renew this policy, we will mail notice to you at least 60 days, but not more than 120 days, before the end of the policy period, as required by California Insurance Code § 1861.03 and § 663.

Renewal

If this policy is renewed, its terms may change. We will notify you of any changes in premium, coverage, or deductibles no later than 30 days before the end of the current policy period.

Arbitration

If a covered person and we do not agree on that person's right to receive damages under Part C or the amount of damages, either party may demand arbitration in accordance with the rules of the American Arbitration Association or as otherwise agreed, subject to California Insurance Code § 11580.2(f).

Legal Action Against Us

No legal action may be brought against us until there has been full compliance with all terms of this policy, and, under Part A, until the amount of the covered person's obligation to pay has been finally determined either by judgment after trial or by written agreement.
