Each endorsement form marked with a filename above is provided as its own specimen PDF in this packet, consistent with SERFF practice of attaching each policy form as a separate document in the Form Schedule.

This is a fictional specimen created for illustrative and training purposes only. It does not represent an actual SERFF filing, an actual CDI record, or an actual rate/form approval. "Pacific Meridian Mutual Insurance Company" is not a real insurer, and all tracking numbers, contacts, and figures are invented. Real, publicly filed rate and form filings for any licensed California insurer can be searched at filingaccess.serff.com/sfa/home/CA.
